NEW TO SCRATCH? GET STARTED BY CREATING YOUR SCRATCH ACCOUNT!

You will need a Scratch account to create, save, and share your Scratch projects. The steps below will walk you through creating a new account and setting up your profile.

START HERE

- ❑ Open a web browser and navigate to the Scratch website: <http://scratch.mit.edu>
- ❑ On the homepage, click on “Join Scratch” at the top on the right of the page.
- ❑ Complete the three steps to sign up for your very own Scratch account!

A screenshot of the Scratch "Join Scratch" sign-up form. The form is titled "Join Scratch" and has a close button (X) in the top right corner. Below the title is the text "It's easy (and free!) to sign up for a Scratch account." The form contains three input fields: "Choose a Scratch Username", "Choose a Password", and "Confirm Password". A blue callout box next to the username field says "Don't use your real name". At the bottom left of the form is the Scratch cat logo. At the bottom right is a "Next" button. A progress indicator at the bottom shows four steps, with the first step (1) highlighted in orange.
